

ADULT LEARNING FORUM (ALF), WESTERN CAPE

WORKSHOP- Saturday, 21st June 2014

THE IMPACT OF COMMUNITY COLLEGES?

We invite you to join us at our workshop focusing on the impact of the new community colleges as envisaged in the White Paper for Post-School Education and Training. This paper was approved by cabinet on 20 November 2013. Non-formal learning will be an important part of the new curriculum.

There will also be an opportunity to experience a popular education tool that educators can use in their learning programmes.

Keynote speaker: Ivor Baatjes - Ivor was part of the ministerial task team that consulted and gathered information to report to the minister on Community and Education and Training Centres (CETCs), now referred to as Community Colleges. Ivor is also the director of CIPSET (Centre for Integrated Post-School Education and Training), based at Nelson Mandela Metropolitan University, Port Elizabeth.
